

BRIGANTINE YACHT CLUB 2nd ANNUAL LEUKEMIA CUP JUNIOR REGATTA

This year the South Jersey Optimist Championship Regatta is part of an incredibly special day! Sailing classes include Opti Green, Opti Red, Opti Blue, Opti White as well as Laser Radial, Laser 4.7, Sunfish and 420s. Join us for a great day of sailing, inspiration and fun.

Junior sailors can register in advance at www.leukemicup.org/brigantinenj. Sailors will raise funds in honor of the 1 million Americans affected by blood cancers and to earn great incentives. The day will end with fundraising and sailing awards, a family barbecue dinner and a breathtaking "Light up the Bay" ceremony, where boats will be lit in a spectacular celebration honoring those fighting cancers.

August 14, 2015
